Q's for Q&A

Share how you use CD to inspire excellence where you serve.

What consequences have taught you the most about yourself?

How you disengage stress and show up in excellence?

Why is unity so important for our community?

One word to inspire both the future educators and those who are weary from the challenges they've faced in education.

When did you first learn about CD?

Attendance is required at one demonstration for each session to receive a Certificate of Attendance.
