

Our **Onsite Trainings** are designed to be *engaging, practical, and community-oriented* learning experiences that support educators and adults on their Conscious Discipline journeys.

Onsite Trainings are structured with your community in mind. They can be *1 Day, 2 Days, or a PLC approach* for grade levels/groups of learners at one site.

Example: 1-Day Training

Deep Dive into the Safe Place™

- Learners explore the purpose and benefits of the Safe Place, and the role of the adult as Safekeeper.
- Learners identify key tools and techniques for using the Safe Place.
- Learners practice guiding children in using the Safe Place for emotional regulation.

Onsite Training

Our Trainings, Your Way.

Each **Onsite Training** can be tailored to your specific context and audience. For example, a lens can be applied to any topic, such as students with disabilities, administrators or Head Start.

**We have Onsite Training your community deserves.
